#### WHO WE ARE

In Greek mythology **Pegasus** was the winged horse born from Poseidon and Gorgon. Tamed by Bellerofonte, he helped him in the enterprise against the Chimeras and Amazonians. **Pegasus** in the modern reality is the horse that helps and leads you in the real estate sector. It's the synthesis of ideas and decades of experience gained in the Marche region, together with the assistance of leading professionals in the commercial, industrial, tourist and management sector.

#### WHERE WE OPERATE

**Pegasus** has a network of professional operators that allows it to serve all the national territory, with particular emphasis in the north of Le Marche. **Pegasus** is able to offer a range of properties, flats on the Adriatic coast, rustic farmhouses, hillside villas on the "Appennini", and especially historic buildings of great value in Urbino and in the "Montefeltro" area.

#### OUR PRIORITY

The choice of properties in surroundings to meet all kind of needs; the ability to satisfy all the requests of our clients, the timeliness of the solution to your problems, the offer of wide range of plans, are only some of the features that distinguish **Pegasus**, as a trusted friend to rely on at all times.

#### PEGASUS EXPO "DOLCE VITA" - 2007 LONDON

**Pegasus** has been present with his ownerships to the expo "DOLCE VITA" to London in March 2006 - 2007, in collaboration with PARADISE POSSIBLE for the sector North of MARCHE.
